

## Statement of Commitment to the Responsible Business Alliance (RBA), formerly the Electronic Industry Citizenship Coalition (EICC).

ARRIS International plc including its worldwide subsidiaries (ARRIS) is committed to treating all stakeholders with dignity and respect, ensuring safe working conditions, and operating in an environmentally responsible manner. We achieve this through our Corporate Responsibility (CR) Program which provides the framework for our decision making and our behavior.

As a full member of the Responsible Business Alliance, **ARRIS** fully supports the vision and goals of the RBA within its global operations as stated by the RBA:

**Vision:** A global electronics industry that creates sustainable value for workers, the environment and business.

**Mission:** Members, suppliers and stakeholders collaborate to improve working and environmental conditions through leading standards and practices.

**ARRIS** commits to align its operations with the RBA code of conduct and to support and encourage its next tier suppliers to do the same.

Wherever possible, **ARRIS** will seek to adopt the RBA approach and tools in practical ways in the spirit of the industry's common goals. **ARRIS** uses the industry developed RBA Self-Assessment Questionnaire (SAQ) created for companies to effectively implement a common approach for assessing and managing supply chain risk, and drive continuous improvement.

Sincerely on behalf of ARRIS
